

10 HUMAN DRAWING PROMPTS FOR CHARACTERS

1. **a nervous teen meeting their idol:** focus on body language, awkward poses, and wide-eyed expressions.
2. **a weathered sailor during a storm:** experiment with dramatic lighting, wind-blown hair, and a tense grip on the helm.
3. **a magician mid-performance:** add floating cards, glowing effects, or a dramatic cape for movement.
4. **an overworked office worker with a messy desk:** capture exhaustion through slouched posture, tired eyes, and coffee stains.
5. **a baker at sunrise prepping dough:** use warm, golden lighting and soft textures for an inviting scene.
6. **a street artist finishing a mural:** experiment with vibrant colors, spray cans, and a satisfied smile.
7. **a dancer rehearsing in an empty studio:** capture movement through dynamic poses and reflections in mirrors.
8. **a florist arranging a bouquet:** highlight delicate hand movements and the texture of petals and leaves.
9. **a librarian carrying a towering stack of books:** play with precarious balance and determined expressions.
10. **a backpacker resting on a mountain trail:** add elements of nature, like scattered leaves or a distant view.
