

10 HYBRID CREATURE DRAWING PROMPTS

- 1. Lion-fish guardian:** combine the body of a lion with the fins and tail of a fish, creating a majestic sea-beast.
- 2. Snake-bird glider:** mix a snake's coiled body with bird wings, making a creature that slithers through the air.
- 3. Wolf-butterfly hunter:** give a wolf delicate butterfly wings and antennae, blending fierceness with elegance.
- 4. Deer-octopus wanderer:** design a deer with graceful antlers but replace its legs with long, flowing octopus tentacles.
- 5. Fox-dragon spirit:** create a fox with dragon scales, a serpentine tail, and small horns for a mystical hybrid.
- 6. Elephant-bee guardian:** merge an elephant's body with bee wings and a honeycomb-patterned hide.
- 7. Eagle-cat predator:** mix an eagle's sharp beak and talons with the sleek body and fur of a cat.
- 8. Horse-shark charger:** combine the head and fins of a shark with the muscular body and legs of a horse.
- 9. Frog-tiger ambusher:** design a tiger with frog-like skin, webbed feet, and a long, sticky tongue.
- 10. Rabbit-snake burrower:** imagine a rabbit with a snake's tail and scales, creating a sly and speedy underground dweller.
