

# 10 MONSTER DRAWING PROMPTS FOR A DARKER TWIST

- 1. Hollow-eyed crawler:** sketch a long-limbed creature with hollow, glowing eyes and a mouth filled with needle-like teeth.
- 2. Rotting behemoth:** design a massive, decayed monster with exposed bones and pulsating flesh, dragging a heavy, broken chain.
- 3. Spider-faced fiend:** draw a humanoid monster with a spider-like face, eight glaring eyes, and elongated, jagged fingers.
- 4. Bloodthorn wraith:** imagine a shadowy figure with vines of thorns piercing its translucent body, dripping crimson.
- 5. Plague-winged horror:** create a winged creature with decayed feathers and oozing sores that emit a toxic fog.
- 6. Flesh-stitched abomination:** design a patchwork monster, stitched together from mismatched body parts, with one eye bulging from its face.
- 7. Bone-clad reaper:** draw a skeletal figure cloaked in jagged bone armor, holding a scythe fused into its arm.
- 8. Swamp maw:** imagine a swamp-dwelling monster with slimy, scaly skin, a gaping maw filled with rows of teeth, and glowing yellow eyes.
- 9. Soul-stealer specter:** create a ghostly being with skeletal hands, a tattered cloak, and a glowing orb in its chest containing trapped souls.
- 10. Infernal crawler:** sketch a multi-legged demon with fiery cracks running along its obsidian-black body and a molten core glowing from within.
